

Active Hope – Healing Our Planet and Ourselves Dancing the Spiral

**With Amina and Arif & Carol and Paula at Woolman Hill Retreat Center
107 Keets Road, Deerfield MA
Friday March 31 to Sunday April 2, 2017**

Join us on a deep journey as we blend Dances of Universal Peace with the Spiral of the Work That Reconnects. We will speak and dance our gratitude for the gift of being alive, honor our pain for the world, explore our deep creativity and celebrate our oneness with the living Earth. We will go forth renewed and ready to participate, ever more joyfully and effectively, in the healing of our world.

All are welcome. Learn about the Dances of Universal Peace: <http://dancesofuniversalpeace.org>
