

TRUTH TELLING,

Truth Tellers

Come to a **Weekend of the
WORK THAT RECONNECTS**

Join us to:

- ∞ celebrate and draw strength from the beauty of the more-than-human world
- ∞ honor the pain we feel for all beings in this time of dislocation and crisis
- ∞ tend our bodies, hearts, minds and spirits through the creative arts
- ∞ support each other in our work for the Great Turning – the creation of a world that nurtures & sustains all life

Who should come?

- ∞ Weary activists and peacemakers
- ∞ All who seek creative ways to bring forth a peaceful, sustainable world
- ∞ Activists seeking tools to help people transform feelings of hopelessness into effective action

Plan to leave refreshed and renewed!

**LISTENING & SPEAKING
FROM THE HEART**

in this time of radical uncertainty

The [Interhelp Network](http://interhelpnetwork.org) is dedicated to providing people with tools to face our local and global crises and become part of the transformation to a life-sustaining society. We offer experiences in the [Work That Reconnects](http://interhelpnetwork.org) and we help people interested in experiencing this work connect with each other.
